

GIG (Green Impact Group) aims to help the legal profession and the legal professionals divert plastic, paper, and e-waste from going to landfills. You may ask – how do we do this? You have heard of the 3 R's (Reuse - Reduce - Recycle) but we first encourage you to

Rethink and help us **Recover** to then **Recycle**

WHAT WE ASK OF YOU

PAPER

- Crumbled paper
- Shredded paper
- Newspaper
- Magazines
- Books
- Journals

PLASTIC

- Take out containers
- Plastic bottles
- Plastic cutlery
- PET bottles
- Plastic Jars
- Plastic bags

E-WASTE

- Desktops
- Laptops
- Earphones
- Chargers
- Appliances

SEGREGATE YOUR WASTE

- The Grey Matter has partnered with service providers who will come to the office and collect the waste.
- The frequency of collection will be determined once we assess the amount of waste generated every 15 days.
- We will conduct an induction session for the admin staff to take them through the segregation method.

Green certificate (issued at the end of a quarter or 6 months basis the amount of waste generated)

Green Certificate will be issued by the authorized Recycling organisation listing out the impact you have made by specifying the quantity of waste diverted from landfills.

The Grey Matter will help you responsibly dispose of your waste by bringing together organisations and service providers who will help **Recover** and **Recycle**.
